

## Hoover New Admissions Head; Plans More Alumni Involvement

David H. Hoover, Director of Financial Aid at Saint Joseph's, has been appointed Executive Director of Admissions and Financial Aid. He replaces William Craig who had served as Admissions Director for the last seven years.

Hoover, a 1961 Saint Joseph's graduate, joined the History Department

DAVE HOOVER

in 1966 and became Director of Financial Aid in 1975.

In planning for his new responsibilities, Hoover stresses, "we want to underscore our strong academic image. With the reduction in the number of young men and women in the college-bound pool, compounded by unfavorable economic conditions, we must emphasize our ability to provide a quality education. He calls for a community-wide recruiting effort,

"The Admissions Office plans to expand the involvement of alumni / ae and faculty in its recruiting program, and we will be asking for their assistance with workshops, receptions, and other recruitment activities."

"Most importantly," Hoover emphasizes, "I feel we must provide students with information to help them understand the importance of the 'collegiate experience' offered by Saint Joseph's. By that I mean, the whole range of student activities that promote involvement — with course work, with their professors, with other students, and in college activities. In assisting students in the transition from high school to college, we should help them understand the important and exciting opportunities of the 'collegiate experience'."

### Downard Temporary Academic Dean

Father Banet has announced that effective August 1, 1982, **Dr. William Downard '63** will assume the role of Assistant Vice President for Academic Affairs. He will hold the position for Dr. Robert Garrity, Vice President for Academic Affairs, who will resume his duties when he returns from a sabbatical on January 1, 1983. Downard has been teaching at Saint Joseph's since 1969 in the department of History, Political Science and Core.

Along with his classroom responsibilities, Downard has been very active on committee work here at Saint Joseph's.

## Scharf Receives Honorary Degree On Retirement

On April 12th, Saint Joseph's College presented an honorary doctor of laws degree during a testimonial dinner honoring Richard Scharf and his wife Kay. The Scharfs retired from Saint Joseph's College after serving here for more than forty-two years.

Dick graduated from Saint Joseph's College in 1938. During his undergraduate years he played varsity football all four years, varsity basketball for four years, where he was the *team's leading scorer and captain*, and varsity baseball for three years. In addition, he was senior class president and valedictorian.

Dick returned to Saint Joseph's in 1940 as an instructor in accounting and assistant coach. From 1942-46, he served as the Saint Joseph's Acad-

emy basketball, baseball and football coach. 1945-50 found Dick as the head football coach for the College and from 1950-55, he became the College basketball coach. His 1953 team was the I.C.C. Co-Champions and he was named the I.C.C. Coach of the Year. He served as the Director of Placement from 1955-56 and was Chairman of the Physical Education Department from 1956-81. In 1961, he became the Athletic Director and remained at that post until his retirement.

The Scharfs will certainly be missed. Dick's representation of Saint Joseph's College to the NCAA helped to make our athletic program what it is today. We salute the Scharfs for their forty-two years of dedicated service!

## Fellows Program Helps Saint Joe Grow

"Colleges do not grow by themselves. They are built by people who believe in them." Early in his presidency of Saint Joseph's College, **Father Raphael Gross, CPPS** imprinted these words on most of his official correspondence. This belief became an urgent striving, a commitment to excellence to serve a growing community of scholars.

In his term as president of Saint Joseph's College, spanning from 1951 to 1965, he initiated many programs to assure solid financing for our growing institution. During those years, Saint Joseph's College experienced a vast expansion in every

direction. The student body grew from 500 to 1,341 and academic offerings increased from 20 departments with 16 majors in 1951 to 27 departments with 24 majors in 1965.

The growth of Saint Joseph's in excellence and reputation surpassed even the enrollment increase. This was accomplished by the most extensive building program ever undertaken by the College. New facilities, including Noll and Bennett Halls in 1955, Gallagher and Halas Halls in 1958, Halleck Center and Schwietermann Hall in 1963.

Due to the phenomenal growth of the College, a shift in the basis of

revenue became necessary. Father Gross took Saint Joseph's into the decade of the 60's with far-reaching development plans, launching the first real organized funding program.

Father Gross attributes our growth in part to joining the new and expanding **Associated Colleges of Indiana**. However nothing surpasses his Fellows Program, and when he laid aside the burdens of the presidency in 1965, he asked to continue to profess his belief in the College by devoting himself full-time to the Fellows Program.

He began the Fellow's Program in May, 1962, with 50 members. A Fellow is one who contributes \$1,000 to Saint Joseph's College. Each year the Fellows gather at Saint Joseph's for a Mass and dinner. This year a record 480 were in attendance.

Throughout the years, the Fellow's Program has contributed several million dollars to the College. The total enrollment in the Program currently stands at 2,340. This year was by far the most productive year for the program as 200 new members joined and over \$250,000 was raised.

Father Gross' tireless efforts have considerably enlarged the constituency of Saint Joseph's. He continues to win new friends for the College. Through the Fellow's Program, the College can be assured of a vital core of support on the part of the alumni, trustees and special friends of Saint Joseph's College and Father Gross.

### SJC Alumni Gatherings Keep "Puma Spirit" Alive

**Brother Gerard Von Hagel**, Executive Alumni Director has been keeping himself very busy these past couple of months. He is in the process of holding alumni gatherings throughout the country.

Since February, gatherings have been held in Chicago, Akron-Canton, Cleveland, Dayton, Columbus, Cincinnati, and Jasper, Indiana. Brother Gerard tells us, "It is encouraging to see that 'Puma Spirit' is alive and well everywhere we have been. I'm looking forward to continuing this program."

Our next issue of **CONTACT** will be our special **Capital Campaign Update Issue**. We've just surpassed the **\$5,000,000 mark in pledges!!**

## class notes

**33** Another pastoral hobby by might be appreciated by parishioners in any parish, is that of **Father Louis Zenz** in Bremen, Indiana. He composes, types and reproduces his three or four page parish bulletin each week which "makes his people sit up and take notice rather than fall asleep . . . It covers a wide range of subjects, from pastoral comments on the scripture readings and current events, to home-spun humor and long-forgotten prayers. It includes warm, personal greetings to newcomers, detailed tributes to parish volunteers, and charitable appeals for local and needy persons, regardless of their religion." His weekly communiqué to his parish includes the amount of the weekly collections and amounts for all the expenditures of the week past.

**40** One never ceases to wonder at the energy of **Father Joseph Otte, CPPS** who is listed officially as retired. His latest apostolate is "St. Mark's Family", a group in Sonoma County, California, devoted to prayer, searching the scriptures, works of charity and even healing. St. Mark's House of Prayer is located at 224 Tenth Street, Santa Rosa, California, and its doors are open to both lay and religious, young and old — anyone in fact who has the desire to deepen his or her spiritual life.

The Annual SJC Parents Dinner and Dance was held April 24 at the Bismarck Hotel in Chicago. Approximately 160 parents and friends attended. The host and hostess for the evening were **Bob and Pat Clausen**. Bob is the manager of the hotel and they are the parents of four SJC alumni. **Ruth Tito**, wife of **Joe B. Tito '37** and mother of **Joe B. Tito '74**, **Robert Rogers '85**, **John Cenkuski**, and **Lucy Hay** were \$1,000 winners on the annual raffle which netted about \$10,000 for the College. Many thanks go to **Bill Loomis**, President of Parent's Association, **Marge Liggett**, President of Alumni Parents, and **Mr. & Mrs. Frank Puch** and **Mr. & Mrs. Emil Babiarz**, Co-Chairpeople of the raffle. A good time was had by all.

Recently Father Banet, President of SJC, made a trip through the southern United States visiting various alumni and friends of Saint Joseph's College. His journeys took him to Atlanta, Georgia; New Orleans, Lafayette, Lake Charles, and Beaumont, Louisiana; Beaumont, Houston, and Dallas, Texas; and Tulsa, Oklahoma.

Our own Father Charles is not the only Banet who has dedicated his life to the Catholic Church. Recently **The Texas Catholic Herald** featured Father Banet's brother and sister for the work they are doing at St. Peter Claver parish in Settegast, a suburb of Houston, Texas.

Sister Ruth Banet, OLVM, a member of Our Lady of Victory Missionary Sisters, Huntington, Indiana, teamed up with Father Paul Banet, SSJ about 4½ years ago at St. Peter Claver parish. Since that time the number of parish families has increased from 180 to 250. The physical plant of the parish has expanded to seven acres including a rectory, two portable classroom buildings, and a baseball field for the neighborhood semi-professional team.

Father Banet, SJC President, is pictured here with Mr. and Mrs. Henry Murphy and daughters of Atlanta, Georgia.

Sister Ruth has concentrated her efforts on the CCD program which has more than tripled in membership. The Banets have also expanded the Marriage Encounter program, Youth Ministry, and teenage involvement in the Church. Other parish activi-

ties include the parish choir, liturgical dancers, Council and Court of St. Peter Claver, Junior Knights, The Metropolitan Organization, Eucharistic Ministers, and the St. Vincent de Paul parish conference. The Banets certainly keep very busy.

Father Charles Banet presents the 1981 Alumni Service Award to Dale Fallat '66.

On May 10-12 the Society of the Precious Blood held their elections for Provincial Director of the Cincinnati Province at St. Charles Seminary in Carthage, Ohio. Members were also elected to serve on the Executive Committee and

of the Alumni Association, was recently promoted to the Council for Government Affairs in Maumee, Ohio. Dale is also a member of the Board of Trustees of Saint Joseph's College.

Offensive coordinator Fred Mariani announced that, quarterback **John Fazio**, offensive

Rev. John Kalicky, new Provincial Director of the Cincinnati Province, the Senate for the Society. These elections occur every four years.

The **Very Reverend John Kalicky** has been named the new Provincial Director. Father Kalicky was Director of Seminarians at Saint Joseph's

## SJC Hosts B/C Basketball Camps

Saint Joseph's College was a beehive of activity for two weeks (June 13-25) as the B/C All-Stars basketball camps invaded the campus.

During the first week of the week-long camps, more than 300 high school boys jammed five courts at the college and three Rensselaer schools. Highlights of the boys' camp included a talk by Joe Dean, promotion director of Converse Rubber, on Wednesday and the annual Slam Dunk competition.

Winner of the exciting contest was six foot, seven inch Winston Bennett of Louisville Male High School in Louisville, Kentucky.

Boston Celtics superstar and Indiana native Larry Bird was scheduled to appear at the camp on Thursday.

Ex-pro women's basketball player Carol Blazejewski of the New Jersey Gems visited the girls' camp on Tuesday of the following week and demonstrated the fine art of offensive and defensive basketball to nearly 200 female cagers.

Both weeks ended with the league championships and the All-Star contests on Friday afternoon.

### CORRECTION!!

With our apologies, we made an error in the Births, Deaths, Marriages column last issue. It was listed as **Charles Sarrico '70**, May 30, 1982. It should have been as **Charles Carrico '70**, May 30, 1982. Again, we're sorry for the error.

guard **Brian Nahas** and line-backer **Terry Robichaud**, all seniors from Indianapolis, have been named tri-captains of Saint Joseph's 1982 football team.

Dr. John Nichols, coordinator of Core curriculum and chairman of the department of philosophy, has been appointed by Bishop Raymond Gallagher of the Lafayette diocese to serve a two-year term on the Advisory Council of the Indiana Catholic Conference (ICC).

The ICC Advisory Council was developed to assist the group's Board of Directors, comprised of the Bishops in Indiana plus one Catholic layman from each diocese.

A tornado and heavy rains forced the re-scheduling of the 19th annual Little 500 go-

kart race. However, two weeks later sunny skies greeted the 22 entrants and the race went as planned.

Senior **Steve McAleer** of Rensselaer powered his "Puma Pub I" through 201 laps to take first place. It was his second first place victory in three years; he previously won the race in 1980 as a sophomore.

McAleer finished one lap ahead of Schwietermann Hall karts driven by **Mark Hamilton** and **Tom Hull**; both completed 200 laps. **Mark Hopkinson** finished forth with 198 laps and **Vince Marzano** finished fifth with 189 laps.

**John Schrei**, Little 500 chairman, announced two special awards for Best Decorated Karts. They were given to Hopkinson's "Midnite Express" and **Pat Dempsey's** "Enduro I". **Eric Brown** received the Rislone Trophy Tray for winning the pole position during time trials.

## Saint Joseph's Reviewed By North Central Association

Saint Joseph's College has been favorably reviewed in its accreditation by the Commission on Institutions of Higher Education of the North Central Association of Colleges and Schools for another ten year term.

The North Central Evaluation team visited Saint Joseph's and reviewed the academic, student life and overall campus programs. The team then interviewed faculty,

administration and students before making its positive recommendation.

Dr. Robert Garrity, Vice-President for Academics, notes that the association's report specifically itemized as Saint Joseph's major areas of strength its Core curriculum of general education, the qualified faculty, a capable administration and board, the school's financial studies and the quality of its library buildings.

The SJC Varsity Club will be sponsoring an alumni weekend for athletes sometime in April, 1983. Our alumni football and basketball games were so successful this past year that we have decided to add more sports. The weekend will include alumni games in football, basketball, baseball, golf, soccer, women's basketball and women's volleyball; depending on the number of participants. The annual Hall of Fame dinner will also be held during this weekend. For further information, complete the questionnaire and send to:
